ME AND MY WIFE'S SISTER

I take care of my wife and her widowed sister—and everybody's happy

I'm a happily married 33-yearold dude who is in love with my wife of nine years. Brianna is very sexy and warm-natured, and has always desired my dick about two or three times a week.

Brianna is a very prim and proper lady in public, and to meet her on the sidewalk one would never believe that she frequently becomes a wild, clawing animal in our bed at night, panting out the filthiest words you could imagine.

About six years ago, Brianna's sister's husband passed away, and her sister (whom I will call "Michelle") came to live with us, which was fine with me because I have always really liked her too. Michelle is a quiet, shy lady, just like her younger sister, prim and proper.

We fixed up a room for her, and she would either lie on her bed and nap or sit and chat with Brianna and me. Because of the way both women act, I am still in a state of mild shock at what has been going on. You see, for the past four years I have been fucking Michelle too. And the best thing about it is that my wife knows about it and does not mind. In fact, it was partially Brianna's idea that I "take care" of her sister now and then. And, Michelle knows that she knows it too, although it is never mentioned between us.

I cannot remember exactly how it came about, but I can certainly remember the high points which led up to it. One Sunday afternoon my wife came to me, grinning slightly, and took my hand. I went with her, wondering what she had in mind as she laid a finger across her lips for silence. She took me to the door of Michelle's room and indicated that I should peek in. I did so, and she was lying flat on her back, dressed only in her panties, napping away. Both of her huge titties were draped heavily over her chest, their big brown nipples in full view. I glanced at my wife, who was watching me, her fingers pressed to her lips to hide her grin; then she quietly shook her head and led me away. Brianna led me all

the way into the kitchen before she stopped and turned to me, still grinning impishly.

"You didn't know that Michelle had such big boobs, did you?" she whispered, her eyes dancing in mischief. I just stared down at her. I could not believe that Brianna had actually taken me to see her own sister's naked breasts! It was not at all like her! Not my proper Brianna! I had honestly never lusted after Michelle; but I must admit that I had felt turned on by those tits and tight ass.

Maybe I was a bit stupid concerning the things which were happening more and more frequently around the house, but you must remember that this was my very proper wife, and my very proper wife's very proper sister.

Brianna was growing more and more sexual in the evenings, sitting on my lap and squirming about, hugging me and kissing me in front of her sister while she grinned and watched us. They did a lot of whispering and giggling too. One evening when Michelle had showered and had called out from the bathroom for a towel, Brianna tossed one to me and told me to take it in to her because she was busy.

I took the towel to the bathroom and knocked on the door. It opened a few inches and I offered it to her. In that flash moment I definitely caught a glimpse of her bare tit and a bit of her pussy as well. Michelle was grinning and blushing as she closed the door. She knew I had seen her! She knew it, but had it been deliberate?

At last I began to think seriously about trying to fuck my wife's sister. Brianna was becoming noisier and noisier at night during our sex, crying out for me to fuck her harder and faster, yelling that she was coming, etc., obviously aware her sister could hear and yet seeming not to care.

"I'm getting worried about Michelle, Dave," my wife murmured to me in our darkened bedroom one night.

"Worried? Why? What's wrong with her?" I asked.

"Nothing serious," she said. "We had a talk today while we were alone, and she finally admitted some things to me."

"Things? Like what, honey?" I innocently asked.

"Well, she needs a man, Dave," Brianna blurted softly. "She needs to get fucked once in a while; someone she loves and trusts and who won't look down on her." Brianna hesitated. "She has sex on her mind most of the time, she told me. She really poured out her heart to me today, and I felt so sorry for her."

"Sure, everyone does," Brianna continued, "but I think she's going over the top with it. She told me she frigs herself at least twice each night before she goes to sleep, then again in the morning before she gets up out of bed. I think she might be doing it too much."

I could not believe it! Michelle masturbating?! Well, I'll be damned! So, the proper Miss Prim was not made of wood after all!

"Honey?" Brianna whispered beside me.

"Yes?"

"Um . . . have you ever pretended that it was Michelle you were fucking when we do it?" she asked shyly. "Tell me the truth; I won't get mad."

"Well, maybe a couple of times," I admitted.

Brianna laughed softly and hid her face in the side of my neck. "I wonder what she'd say if she knew that," she whispered. Her fingers crept down my belly and located my erect cock lying on it. She chuckled softly again. "Well, well, what made you get all hard? Do you want to put that inside me tonight, baby?"

So we fucked, and the longer I fucked her the louder she became, sobbing and whimpering and begging me to fuck her faster and harder, fully aware that Michelle could hear.

The next day was Saturday, and Brianna announced early that she was going out to run some errands. I offered to drive her but she declined, telling me to stay home and "keep Michelle company." Then she drove off.

Hardly a minute went by before Michelle entered the living room dressed in her robe, her skin looking moist after her morning shower. "Where's Brianna?" she asked.

"She went out. She'll be gone for a few hours," I said.

"You've just showered?" I asked her. "Why didn't you call me? I would have gladly washed your back for you..."

She laughed, keeping her back to me. I knew they had planned it; I just knew it! They obviously had planned on

leaving Michelle and me alone for a while, but Michelle had not yet built up the courage to take advantage of the fact. So I decided to do something about it.

I walked up to her and slipped my arms around her waist from behind. She stiffened very slightly. "You smell good," I whispered. "You smell like pussy."

A funny little laugh bubbled from her. "You can't smell my pussy, Dave," she said. "I've just washed it."

A thrill shot through me at her words. I never

dreamed that I would ever hear my prim sister-in-law utter such a word. My dick was already quite stiff and hard, and I crushed it deliberately against her plump ass. "I want to give it to you, Michelle," I murmured into her hair.

She stiffened again. "What about Brianna?" she asked.

"Brianna knows," I said.

I took her hand and led her into her room. She stood blushing and trembling as I opened her robe and slipped it off her, leaving her totally naked. Her nipples were huge and stiff, and puckered in her excitement. Her hips were wide and soft looking, her thighs full and creamy, and her cunt swelling forward eagerly.

"Take me now... give it to me, Dave!" she blurted in a weird little voice. "God, I think I'm ready to go off right now!"

I quickly removed my pants and undies, then pushed her gently back across her bed. Her legs opened in shameless welcome to me, fully exposing her quaking pussy, its swollen lips and quivering crack in full view of me for the very first time. I sank down on top her between her lifted knees, one hand guiding my throbbing cock toward her pouting womanhood. The tip touched and then went sliding easily into her scalding vagina.

A funny little sound drifted from her throat as she felt herself being penetrated for the first time in years. Her fingers clutched at my upper arms, her eyes glazing over as they stared up at me. Yet again I was astonished; this time over the tightness of her cunt. It was like a teenager's as it pulsed and sucked and tugged at the length of my tool. I could feel Michelle squirming under me too, her big ass moving gently.

"Damn, what a tight one you have, Michelle!" I whispered, shoving it to the root inside her. I lifted once, and then drove it back into her to the root again.

"Omigod!" she suddenly gasped, her eyes bulging up at me. Her ass was heaving and surging up and down in

a rather violent manner, her belly smacking mine sharply.

She was coming—already! I had only slid it into her and had given her one single pump, and she was coming! She must have been so starved for sex. At last it was over for her, and she relaxed slowly. Her eyes opened and she stared up at me, and then she blinked. A beautiful smile lit up her face, and she chuckled. “Wow! I don’t believe that!” she panted, beaming happily. I grinned, my dick still buried in her pulsating pussy.

“Wow!” she panted again, still beaming, her face flushed and moist. “I felt it from my toes to the top of my head. I never came so quickly in my life!”

Feeling understandably proud of myself, I began to pump into her again. “Slowly, Dave. Slowly,” she whispered, her eyes going shut again, her plump ass starting to writhe under me again. “Do it with those long, deep strokes. Yes, that’s right, baby... slowly. Oh, that feels good, Dave, so good. God, I love it. It feels so good to me!”

“Do you think you’ll come again?” I asked.

“Oh, yes. I can feel it already. Just keep doing it like that. Do you like it, Dave? Does it feel good to you too?”

“Yes, Michelle,” I muttered thickly. “You have the tightest pussy I ever—”

“That’s because you have a cock like a horse, baby,” she said. “Every time you shove it into me it feels like I’m being split open. You fuck better than any guy I’ve ever known, and I mean that. Your dick fits me like a glove. I love it; it feels so good it makes me want to scream! No wonder Brianna does all that yelling in here at night” She drew my face down beside her own flushed one. “Go faster now, Dave. Make me come again. Fuck me!” In minutes her fingers were clawing at my arms and shoulders, her hips twisting insanely.

When I finally got my pants back on and left she was lying across her bed, smiling. Her eyes were closed, her legs open, hot cum oozing from her cunt. I went out and sat on the couch. I was convinced that she and Brianna had planned it from the start. In a few minutes I heard the toilet flush. I was still in a state of mild shock, I think.

When Brianna finally came home she was all smiles, totally ignoring the way Michelle blushed furiously when their eyes met. She went into the kitchen, put her bags down began to put some groceries away. I stepped up behind her

and put my arms around her slender waist.

“I fucked her,” I breathed.

“I know that,” my wife murmured, celery in her hand. “I knew it as soon as I saw her. She looked that way after Dan used to fuck her.” She hesitated briefly. “Was she good?”

“Yes,” I said. “Very good.”

“As good as I am?”

“Don’t start that,” I replied. Brianna turned in my arms, smiling up at me. “I won’t,” she said. “Did she come for you?”

“Oh, yes,” I replied,

quite sheepishly.

Brianna nodded. “Good. She needed it.”

That was four years ago. I am still banging the both of them, although never at the same time. Neither of them will hear of it. They both know that I would like to get them both into bed at the same time, but it is no good.

I get to fuck Brianna on Mondays, Wednesdays and Fridays, and Michelle on Tuesdays and Thursdays (and now and then on Saturday or Sunday nights).

Fortunately, there is not a trace of jealousy between the two women, although sex is still never mentioned among us. It is silly in a way, but that is the way they prefer it. I am fucking both of them and they both know it, yet it is never discussed.

And I dare not put a finger on either of them in the presence of the other. Sometimes I will enter the room naked where they both are and Brianna will scold me gently, but Michelle will just smile at me. Thus far I am not having any trouble keeping them content, but I do not know how long I will continue to be able to fuck every night. I will cross that bridge when I come to it.

Michelle was pretty reluctant to let me go down on her, being a bit old-fashioned, but I think Brianna might have talked with her about it because one night she just told me to go ahead and lick her pussy if I wanted to. She discovered that she likes to be eaten, the way she came all over the place for me. Since that time she has let me eat her any time I want.

Sometimes my wife will notice us looking at each other in “that” way, and she will go for a walk to leave us alone. Or Michelle will retire to her room and leave Brianna and me alone to do our thing.

That’s my story. As you can guess, I hope it continues for a long, long time.

Syang

LADY LUCK

After a long night dancing, Syang is looking to press her body against her boyfriend's in a more horizontal fashion. They aren't even through the door before her mouth is swallowing his firm cock. Her tits are out and she's salivating before they can get up the stairs. And she has no thoughts, but "fuck me."

Christy Mack's tats frame her boobs perfectly while Gina Valentina's leg wants to release the kraken.

LATE FOR WORK

The only time these lovely ladies have to really fuck is when Nikki is coming in, and Leigh is heading out. Such little time really makes the sex that much more exciting. Leigh's libido awakens with a tongue slipping in between her lips, and a hand squeezing her perky breast. She strips Nikki of her uniform, and they fuck till Leigh is late for work.
